

### What is PowerPlant...?

At PowerPlant (a Lifeway event), our students will learn about church planting principles and evangelism skills in practical training sessions throughout the week. They will also help real life church planters share Christ through ministry activities like sports camps, backyard VBS, servant evangelism and prayer walking. Did you know...?

- The U.S. is the third largest mission field in the world?
- More than 250 million people in the U.S. and Canada are not connected to a local church?
  - Most cities are at least 80% un-churched
  - New churches are making a difference
- Our students are ready to make a difference

PowerPlant. Practical training. Hands on mission involvement. Celebrative worship.

Our youth group will be participating in a PowerPlant mission trip in Washington, DC on June 18 – 23, 2012.

We will be having a meeting TODAY in the youth room after the morning worship service for all parents and youth to provide more information. This is going to be a great adventure!
