VBS Missions Project

Operation Kid-to-Kid™ is a partnership of Group Publishing, Inc., and nondenominational Christian organizations dedicated to creating hands-on service projects for children in North America.

It is one of the largest forces mobilizing children in serving other children around the world. Hundreds of thousands of kids have been impacted with gifts of school supplies, Bibles, hygiene kits, Christmas gifts, Bible Coloring Books, and socks and shoes.

Kids come for the game...and leave with the Truth.

In much of the world, children play soccer with whatever they can find. Knotted rags, tied bundles of banana leaves, empty shell casings; to have a soccer ball of one's own is an impossible dream. Until now.

Each crew in your VBS will place a special soccer ball and book in the hands of a child in South Africa. A child who will treasure the ball and the message of love sent with it.

Kids at your VBS can appreciate the fun, teamwork, and friendships associated with playing sports. They definitely feel empathy for children who don't have toys to play with. And that compassion will make this a missions project with plenty of impact on kids...both now and for years to come.
